

Bison ST1000 Stacker Tank

Features:

- ◆ Stackable 2 high, loaded
- ◆ Banking for interconnection, allows bulk use.
- ◆ Options:
 - Steam heating
 - Water jacket heating
 - Trace heating
 - Integral coil cooling
 - Factory fitted agitation

The Bison 1000 IBC is designed and built to meet the stringent regulations controlling the Transportation and Storage of Dangerous Goods. It is an ideal solution to liquids handling problems.

The IBC body is manufactured from stainless steel and supported in a galvanised, reinforced frame that has removeable and replaceable guards in the valve area to facilitate easier maintenance.
